Department of Mathematics

29 July 2021

Dear Josephine

Academic Probation – Summer Term 2020/21

I am writing to let you know that, at its recent first Summer Term meeting, the Probation Review Group considered the report of your academic activity across research, teaching and wider academic contributions over the past year at Warwick.

I am pleased to inform you that the Group were supportive of your Head of Department's recommendation that you should continue normally on probation. The Group encouraged you to continue making good progress and looked forward to seeing you deliver against your set targets for probation.

Yours sincerely

Professor Christine Ennew OBE
Provost &
Chair of the Probation Review Group

Cc: Professor John Greenlees, Head of Department
